EDUCATION

MASTER HUMAN COMPUTER INTERACTION
Utrecht University, Utrecht | Sep 2019 - Jun 2021

The research field of HCI combines viewpoints of Information Science, Computer Science and Psychology, with the goal of understanding and improving the interaction between humans and machines.

BACHELOR INFORMATION SCIENCES
Utrecht University, Utrecht | Sep 2015 - Feb 2019

The research field of IS concentrates on the human side of IT, taking into account all facets of computerisation: design, usage, and introduction of IT in society & organisations.

ATHENEUM
CSG Dingstede, Meppel | Sep 2009 - Jun 2015

CAREER SUMMARY

FOUNDER, WEB DEVELOPER & WEB DESIGNER
KrossIT, Utrecht | Sep 2020 - Present

With a passion for technology, design and photography -and a large portion of creativity- KrossIT strives to translate the vision of customers into a suitable (and attractive) online appearance.

JUNIOR ASSISTANT PROFESSOR
Utrecht University , Utrecht | Aug 2021 - Dec 2021

After finishing my master's, I had the pleasure to teach and coordinate the 'People, Society & ICT' course at the University of Utrecht. The course is part of the 'Information Sciences' bachelor.

TEACHING ASSISTANT
Utrecht University, Utrecht | Sep 2017 - April 2021

Throughout my studies, I was active as a teaching assistant. In this role I helped other students get a better grasp of the subjects and assisted them with their practical assignments.

INFORMATION TECHNOLOGY CONSULTANT
Royal Huisman Shipyard, Vollenhove | Feb 2019 - April 2019

I accompanied the IT and Sales department in their desire to incorporate Sales' business processes in the general ERP system. I investigated the companies' underlying work processes to extract the requirements for this implementation, and examined its feasibility.

PUBLICATIONS

EFFECTS OF THE BURN AFTER READ PRINCIPLE IN EPHEMERAL MEDIA APPLICATIONS
Behaviour & Information Technology: Highlights of the European Conference on Cognitive Ergonomics (ECCE '19) | Sep 2019

AWARDS

HUMAN FACTORS NL THESIS AWARD
Human Factors NL | Nov 2021

My master's thesis, titled "Dark Patterns - Deceiving users through malicious interface design", has won the HFNL thesis award. The jury was impressed by the work I'd done. They stated that my research had 'great relevance', was 'objectively executed' and was of 'high quality'.

CERTIFICATES

DIPLÔME D'ÉTUDES EN LANGUE FRANÇAISE (DELF)
French Ministry of Education | May 2014

CERTIFICATE IN ADVANCED ENGLISH (CAE)
British Council | April 2014

EXTRACURRICUAR ACTIVITIES

ONEHOT - DATA SCIENCE COMMUNITY
Utrecht University, Utrecht | Jun 2021 - Present

Onehot is a community of people who enjoy working with data. In order to build the community, the organisation of Onehot currently organises a series of meet-ups. As a member of this organisation, I'm responsible for anything related to these meet-ups: From contacting potential speakers to promoting and hosting the events.

EXEC(UT) - STUDENT IT CONFERENCE
Utrecht University, Utrecht | Apr 2018 - May 2020

exec(ut) is a conference for and by IT students. I organised two editions of this event. As 'commissioner of speakers' (2019), I contacted various (international) speakers within the field of software and technology. As 'chair' (2020), I was responsible for the management of the committee, and as such the overall success of the conference.

MEMBER OF STUDENT COMMITTEES
Study Association Sticky, Utrecht | Sep 2015 - Jun 2018

During my studies, I was an active member of study association Sticky. I was involved in numerous committees, such as the Study Trip committee, Advisory Board, and Introduction committee.
